

# Shelby County Suburban Fire District 2008 Crusade for Children Golf Scramble Sponsorship/Donation Form

Last year's scramble was again a huge success! The success of this golf scramble is due to the involvement of the entire community. Over the past twelve years, the Shelby County Suburban Fire District has increased our donation to the WHAS Crusade for Children with the proceeds from this scramble.

We are again asking for your support with this worthy cause to help the children of our community. This year the scramble will be held on Monday, May 19, 2008 at Weissinger Hills Golf Course.

Remember, all of the proceeds from this event are donated directly to the WHAS Crusade for Children and will return to the Shelby County area for our needy children.

Please make checks payable to: **The Shelby County Fire Department**
